

WITH OUR CORRESPONDENTS

Week's Happenings--News, Important or Otherwise as Reported By Our Corps of Correspondents.

MELL.

For the past three weeks the weather conditions have been very unfavorable for curing tobacco, with the exceptions of a few dry days, as a result, there has been considerable damage by house burning.

Dr. Hornaker, who comes well recommended, has located at Dr. Eugene Taylor's old stand Liletown, Ky.

A new business firm has recently established here, known as the Farmers Mercantile Co., owned by Robert and Lewis Dohoney and O. B. Finn.

In passing our school houses we are surprised at seeing so few scholars in attendance. Sometimes not more than 20 out of a list of 90. Something is radically wrong. Why it is that parents will let their children gallop around over the community spending half of their time at the store with loafers is a mystery that has never been solved. Why not enforce the compulsory law.

Mr. Levi Kearns and Miss Florence Coffey were united in marriage, September 16th, the Rev. Chas. Deaner, officiating. Congratulations.

Little Joseph M., son of Mr. and Mrs. William Bailey, of Esto, died September 19th. Jo was two years and ten months old, the idol of his parents and a favorite with all. He was a great sufferer, but the all wise

Creator saw proper to take him home where suffering is unknown. To the parents we would say look to Jesus for help and consolation.

NOTICE TO TAX PAYERS.

I will this week begin to wind up for all taxes unpaid for the year 1906.

I have advertised and filled appointments in each magisterial District of the County as required by law, and will now call on you for the last time without a levy. No person is to be passed this time with a promise.

This is a matter of business and I propose to treat it as such.

Any person taking this as a joke can judge about that when called upon the next time. W. B. PATTERSON, S. A. C. Aug. 6 1906.
